

Hemant Jain

Hemant is a no-nonsense Coach. He ensures your success.

He is a Life Coach and a Business Growth Coach.

He is an Amazon Best Seller Author, Keynote Speaker, Trainer, and Change Management Consultant with 20 years of experience in multiple countries and industries.

He works with business owners, middle and senior management professionals who find themselves stuck within glass walls and glass ceiling - unable to move themselves and/or their business either vertically or horizontally. Hemant helps them unblock themselves to go higher and further in life, career and business.

The Coach

- ☞ Hemant coaches **Teams** to align for better performance to achieve results faster. Great results start with self-understanding. Secondly, this extends to understanding the team. Then, to understand the organization as a whole. When these elements align, individuals can work in a united team to achieve their goals.
- ☞ Hemant coaches **Individuals** to achieve their career as well as life aspirations.
- ☞ Hemant coaches **Business Owners** to enable them to double the value of their business with predictable certainty in 2-3 years. The peer-to-peer executive boards that he leads, get a highly committed multi-faceted experienced coach to hand-hold them through their upwards and onwards journey.
- ☞ Hemant is a no-nonsense coach who believes that **you** can achieve your highest potential even when you begin to doubt it. He is there by your side to remind you of the same and enable you to do it.

The Trainer

- ☞ Hemant conducts behavioral training programs for managers / teams / organizations on a variety of subjects. Every training program is customized to the organizational context and requires involvement of client organization (especially Leadership) for best results.
